# Our House Wine

*Hand crafted and bottled with love and skill for the Harbour Rock*

**LADY JESSY (Bot River) 160 / By the glass 40**

Despite her cultured roots and exquisite lineage, the Labrador lady Jesse is not beyond leisurely dips and the odd spot of fishing, which is probably why this wine pairs so very well with seafood. Blessed at birth with a nose for all notes and a sense of humour that's comfortably dry, the lady has produced a finessed white that's crisp, fresh and adequately elegant. Sauvignon Blanc.

**BARON NOVAK BORDEAUX BLEND (Bot River) 160 / By the glass 40**

Spend five minutes in the company of the Baron Novak and you'll instantly understand the character of this delightful Bordeaux blend. Blessed with a sense of smell as keen as his wit and a mischievous streak you'd expect from a schnauzer, the Baron has produced a robust red that's classically flavoured, medium bodied and guaranteed to only improve with age.

*Five Rand per bottle of House Wine sold is donated to the Sparklekids community upliftment program.
